

To help businesses during this very challenging time, Evolve IP is offering our work from home solutions to companies with more than 100 employees at either *no cost, or month-to-month with no long-term commitment*.

## **Collaboration Options:**

**Microsoft Teams** – Evolve IP is a Microsoft Gold certified Cloud Service Provider and can offer a Teams collaboration license at no charge.

Microsoft Teams with Voice – For companies that rely heavily on voice communications, Evolve IP is offering Microsoft Teams, integrated with a soft phone and unlimited domestic dialing, month to month with no long-term contract.

**Cisco Voice** – Enable cloud calling, messaging, and collaboration features like chat, file sharing and video meetings. Cisco Voice is also offered month-to-month.

## **Workspaces Options:**

Workspaces (IAM) – Secure your employees and their Work From Home devices with a single sign-on portal with multi-factor authentication. Access all of their SaaS applications, simplify logins and reduce help desk password requests. Free for 60 days.

Workspaces (Applications) – If you have critical, legacy applications on-premises, Evolve IP can 'SaaS'ify the applications and deliver them to selected users via their Workspaces portal. Month-to-month and no long-term contract.

**Workspaces (DaaS)** – Stand-up full cloud desktops for your power users. Month-to-month and no long-term contract.

## **Call Center Option:**

Evolve IP can enable work from home agents immediately to help support your business during the COVID-19 outbreak for free for 60 days.\*
